The Night and Its Moon Piper CJ,2022-09-20 An addictive fantasy romance from TikTok sensation Piper CJ, now newly revised and edited. Two orphans grow into powerful young women as they face countless threats to find their way back to each other. Farleigh is just an orphanage. At least, that's what the church would have the people believe, but beautiful orphans Nox and fae-touched Amaris know better. They are commodities for sale, available for purchase by the highest bidder. So when the madame of a notorious brothel in a far-off city offers a king's ransom to purchase Amaris, Nox ends up taking her place — while Amaris is drawn away to the mountains, home of mysterious assassins. Even as they take up new lives and identities, Nox and Amaris never forget one thing: they will stop at nothing to reunite. But the threat of war looms overhead, and the two are inevitably swept into a conflict between human and fae, magic and mundane. With strange new alliances, untested powers, and a bond that neither time nor distance could possibly break, the fate of the realms lies in the hands of two orphans — and the love they hold for each other.

The Other People C. J. Tudor,2020-01-28 A gripping thriller about a man's quest for the daughter no one else believes is still alive, from the acclaimed author of *The Chalk Man* and *The Hiding Place*. An ID Book Club Selection • "C. J. Tudor is terrific. I can't wait to see what she does next."—Harlan Coben, #1 New York Times bestselling author Q: Why are you called the Other People? A: We are people just like you. People to whom terrible things have happened. We've found solace not in forgiveness or forgetting. But in helping each other find justice. Driving home one night, stuck behind a rusty old car, Gabe sees a little girl's face appear in its rear window. She mouths one word: Daddy. It's his five-year-old daughter, Izzy. He never sees her again. Three years later, Gabe spends his days and nights traveling up and down the highway, searching for the car that took his daughter, refusing to give up hope, even though most people believe she's dead. When the car that he saw escape with his little girl is found abandoned with a body inside, Gabe must confront not just the day Izzy disappeared but the painful events from his past now dredged to the surface. Q: What sort of justice? A: That depends on the individual. But our ethos is a punishment that fits the crime. Fran and her daughter, Alice, also put in a lot of miles on the road. Not searching. Running. Because Fran knows what really happened to Gabe's daughter. She knows who is responsible. And she knows what they will do if they ever catch up to her and Alice. Q: Can I request to have someone killed? A: If your Request is acceptable, and unless there are exceptional circumstances, we fulfill all Requests.

Open Season C. J. Box,2002-05-07 Don't miss the JOE PICKETT series—now streaming on Paramount+ The first novel in the thrilling series featuring Wyoming game warden Joe Pickett from #1 New York Times bestselling author C. J. Box. Joe Pickett is the new game warden in Twelve Sleep, Wyoming, a town where nearly everyone hunts and the game warden—especially one like Joe who won't take bribes or look the other way—is far from popular. When he finds a local hunting outfitter dead, splayed out on the woodpile behind his state-owned home, he takes it personally. There had to be a reason that the outfitter, with whom he's had run-ins before, chose his backyard, his woodpile to die in. Even after the outfitter murders, as they have been dubbed by the local press after the discovery of the two more bodies, are solved, Joe continues to investigate, uneasy with the easy explanation offered by the local police. As Joe digs deeper into the murders, he soon discovers that the outfitter brought more than death to his backdoor: he brought Joe an endangered species, thought to be extinct, which is now living in his woodpile. But if word of the existence of this endangered species gets out, it will destroy any chance of InterWest, a multi-national natural gas company, building an oil pipeline that would bring the company billions of dollars across Wyoming, through the mountains and forests of Twelve Sleep. The closer Joe comes to the truth behind the outfitter murders, the endangered species and InterWest, the closer he comes to losing everything he holds dear.

Madam C.J. Walker Erica L. Ball, 2021-01-29 Madam C. J. Walker—reputed to be America's first self-made woman millionaire—has long been celebrated for her rags-to-riches story. Born to former slaves in the Louisiana Delta in the aftermath of the Civil War, married at fourteen, and widowed at twenty, Walker spent the first decades of her life as a laundress, laboring in conditions that paralleled the lives of countless poor and working-class African American women. By the time of her death in 1919, however, Walker had refashioned herself into one of the most famous African American figures in the nation: the owner and president of a hair-care empire and a philanthropist wealthy enough to own a country estate near the Rockefellers in the prestigious New York town of Irvington-on-Hudson. In this biography, Erica Ball places this remarkable and largely forgotten life story in the context of Walker's times. Ball analyzes Walker's remarkable acts of self-fashioning, and explores the ways that Walker (and the Walker brand) enabled a new generation of African Americans to bridge the gap between a nineteenth-century agrarian past and a twentieth-century future as urban-dwelling consumers.

The Fighters C. J. Chivers, 2019-05-21 NEW YORK TIMES BESTSELLER * "A CLASSIC OF WAR REPORTING...THERE IS NO DOWNTIME IN THIS RELENTLESS BOOK."—The New York Times * "REMARKABLE...A MEMORIAL IN PAGES."—The Washington Post * "GRIPPING AND THOUGHT-PROVOKING."—USA Today * "EVOCATIVE."—Publishers Weekly, (Starred Review) * "IT JOINS THE BEST WAR LITERATURE THIS COUNTRY HAS EVER PRODUCED."—Sebastian Junger, bestselling author of *Tribe* and War Pulitzer Prize winner C.J. Chivers's unvarnished New York Times bestseller is a chronicle of modern combat, told through the eyes of the fighters who have waged America's longest wars: "A classic of war reporting...there is no downtime in this relentless book" (The New York Times). More than 2.7 million Americans have served in Afghanistan or Iraq since September 11, 2001, and C.J. Chivers reported on both wars from their beginnings. *The Fighters*

vividly conveys the physical and emotional experience of war as lived by six combatants: a fighter pilot, a corpsman, a scout helicopter pilot, a grunt, an infantry officer, and a Special Forces sergeant. Chivers captures their courage, commitment, sense of purpose, and ultimately their suffering, frustration, and moral confusion as new enemies arise and invasions give way to counterinsurgency duties for which American forces were often not prepared. *The Fighters* is a “gripping, unforgettable” (The Boston Globe) portrait of modern warfare. Told with the empathy and understanding of an author who is himself an infantry veteran, *The Fighters* is “a masterful work of atmospheric reporting, and it’s a book that will have every reader asking—with varying degrees of urgency or anger or despair—the final question Chivers himself asks: ‘How many lives had these wars wrecked?’” (Christian Science Monitor).
