*The History of the Congregation of Holy Cross* James T. Connelly C.S.C.,2020-12-15 In 1837, Basile Moreau, C.S.C.,

founded the Congregation of Holy Cross (C.S.C.), a community of Catholic priests and brothers, to minister to and educate the people of France devastated by the French Revolution. During the centuries that followed, the Congregation expanded its mission around the globe to educate and evangelize, including the establishment in 1842 of the Congregation's first educational institution in America—the University of Notre Dame. This sweeping book, written by the skilled historian and archivist James T. Connelly, C.S.C., offers the first complete history of the Congregation, covering nearly two centuries from 1820 to 2018. Throughout this volume, Connelly focuses on the ministry of the Congregation rather than on its ministers, although some important individuals are discussed, including Jacques-François Dujarié; Sr. Mary of the Seven Dolors, M.S.C.; André Bessette, C.S.C.; and Edward Sorin, C.S.C. Within a few short years of founding the Congregation, Moreau sent the priests, brothers, and sisters from France to Algeria, the United States, Canada, Italy, and East Bengal. Connelly chronicles in great detail the suppression of all religious orders in France in 1903 and demonstrates how the Congregation shifted its subsequent expansion efforts to North America. Numerous educational institutions, parishes, and other ministries were founded in the United States and Canada during these decades. In 1943, Holy Cross again extended its work to South America. With the most recent establishment of a religious presence in the Philippines in 2008, Holy Cross today serves in sixteen different countries on five continents. The book describes the beatification of Basil Moreau, C.S.C. on September 15, 2007, and the canonization of André Bessette, C.S.C. on October 17, 2010. The book will interest C.S.C. members and historians of Catholic history. Anyone who wants to learn about the origins of the University of Notre Dame will want to read this definitive history of the Congregation.

The Poems of Charles O'Donnell, CSC Edited by George Klawitter, CSC, 2010-08-20 Charles O'Donnell deserves to be better known than he is. Many of his lyrics are so finely crafted they can rank with the best verses of his time, and some are touchstones: a delicate scent of Keats in "The Silver Birch," a gentle reminder of Villon in "New Saints for Old." He spoke highly of Emily Dickinson before she was fashionable, and he brushed shoulders with important poets, hosting William Butler Yeats at the University of Notre Dame, spending days with good friend Joyce Kilmer. Some of his finest moments were reserved for tributes to the dead and musing on natural beauty. He celebrates the great and the not so great. He chronicles war, and he muses on triumphs. Everywhere O'Donnell surprises a reader with fresh images and phrases: "sandaled with violets," "snowed over with the moonlight." These are the words of a significant voice who apprehends the world with new energy and can translate experience into language with easeful art. Some of his poems stun with such metaphysical splendor that a reader is forced to consider the lines repeatedly. Suspending disbelief will bring readers hours of joy feeling the world as O'Donnell felt it a century ago.

**The Cross, Our Only Hope** Andrew Gawrych, Kevin Grove C.S.C., 2016-05-20 The publication of the first edition of *The Cross, Our Only Hope* in 2008 established it as a foundational work of contemporary Holy Cross spirituality. This thoroughly

revised edition, which features many new contributions, is a must-have for members of the Congregation of Holy Cross; its friends, lay collaborators, benefactors; and anyone interested in the spiritual tradition of the religious order. Priests and brothers of the Congregation of Holy Cross—including pastors, teachers, and administrators—offer an introduction to the rich, vibrant spirituality of the Congregation through a series of daily reflections on the themes of Holy Cross spirituality: trust in God, zeal, compassion, hope in the cross, discipleship, and education in the faith. This revised edition includes a new foreword, a new introduction by the authors, new reflections, new contributors (including more international contributors than the previous edition), and quotes from St. André Bessette, who was canonized in 2010. The ministries of the Congregation of Holy Cross include Ave Maria Press, the University of Notre Dame, the University of Portland, Stonehill College, King's College, and many other Holy Cross schools and institutions around the world.

**Remembering Why We Preach** Karla J. Bellinger, Michael E. Connors CSC, 2022-11-25 If your heart is on fire with God's love, your preaching will help listeners encounter Christ and deepen their spiritual lives. And that should be the ultimate goal of a homily. *Remembering Why We Preach* is a retreat that will help you revive your creative energy and spiritual focus. Karla Bellinger—executive director of the Institute for Homiletics at the University of Dallas—and Fr. Michael Connors, CSC—director of the John S. Marten Program in Homiletics and Liturgics at the University of Notre Dame—lead you through an eight-part process of spiritual renewal and skill development that will nourish and enrich you and your preaching for years to come. Whether you are recently ordained or have been preaching for decades, you will explore the spiritual, pastoral, and communal aspects of preaching, which lies at the heart of the Church's work of making disciples. This book can be used as a personal or group retreat or in preaching courses. It includes: reading materials for personal reflection; questions for journaling or peer-group discussions; practical exercises to enhance skills such as listening to your people, storytelling, homily writing, and diversifying your speaking styles; and support materials such as an outline for a peer-group meeting, a sample retreat format, and forms for homily feedback and goal setting. Links to additional resources are available in each chapter.

**Monk's Notre Dame** Edward A. Malloy C.S.C.,2022-02-15 "This book was a labor of love, and I hope my readers can share my pleasure in, once again, telling the stories of a place dear to us all." —Father "Monk" Malloy, from the introduction This wonderful collection of humorous, poignant, and revealing stories and anecdotes offers special insight into the university that Father Malloy has served so faithfully. Monk's Notre Dame has a story to tell about nearly every aspect of life at Notre Dame. Father Malloy intersperses fresh insight on traditional campus events, such as new students moving into the residence halls and the annual bookstore basketball tournament, with lesser-known stories, such as the mysterious disappearance and dramatic reappearance of a statue of Father Edward Sorin at the helm of a motorboat on St. Mary's Lake. Father Malloy also presents charming vignettes about the people who have made Notre Dame the place it is. He offers a personal tribute to the legendary Reverend Theodore M. Hesburgh and includes warm and witty stories about other C.S.C. priests and brothers, such as Charles Doremus ("Father Duck") and Brother Cosmas Guttly, who lived to be ninety-nine. Memorable anecdotes about professors, students, and "behind the scenes" workers are also captured in this book. Anyone who has studied, taught, or worked at the University of Notre Dame, and those otherwise interested in the university, will find Monk's Notre Dame delightful.

**Crisis Standards of Care** Institute of Medicine,Board on Health Sciences Policy,Committee on Guidance for Establishing Standards of Care for Use in Disaster Situations,2012-08-26 Catastrophic disasters occurring in 2011 in the United States and worldwide—from the tornado in Joplin, Missouri, to the earthquake and tsunami in Japan, to the earthquake in New Zealand—have demonstrated that even prepared communities can be overwhelmed. In 2009, at the height of the influenza A (H1N1) pandemic, the Assistant Secretary for Preparedness and Response at the Department of Health and Human Services, along with the Department of Veterans Affairs and the National Highway Traffic Safety Administration, asked the Institute of Medicine (IOM) to convene a committee of experts to develop national guidance for use by state and local public health officials and health-sector agencies and institutions in establishing and implementing standards of care that should apply in disaster situations—both naturally occurring and man-made—under conditions of scarce resources. Building on the work of phase one (which is described in IOM's 2009 letter report, *Guidance for Establishing Crisis Standards of Care for Use in Disaster Situations*), the committee developed detailed templates enumerating the functions and tasks of the key stakeholder groups involved in crisis standards of care (CSC) planning, implementation, and public engagement—state and local governments, emergency medical services (EMS), hospitals and acute care facilities, and out-of-hospital and alternate care systems. Crisis Standards of Care provides a framework for a systems approach to the development and implementation of CSC plans, and addresses the legal issues and the ethical, palliative care, and mental health issues that agencies and organizations at each level of a disaster response should address. Please note: this report is

not intended to be a detailed guide to emergency preparedness or disaster response. What is described in this report is an extrapolation of existing incident management practices and principles. Crisis Standards of Care is a seven-volume set: Volume 1 provides an overview; Volume 2 pertains to state and local governments; Volume 3 pertains to emergency medical services; Volume 4 pertains to hospitals and acute care facilities; Volume 5 pertains to out-of-hospital care and alternate care systems; Volume 6 contains a public engagement toolkit; and Volume 7 contains appendixes with additional resources.

**Signs of Grace** Nicholas C. S. C. Ayo, Nicholas Ayo, 2007-03-21 Every year, thousands of people pilgrimage to South Bend, Indiana to visit the campus of the University of Notre Dame for sporting events, academic conferences, or just for a tour. From the Golden Dome on top of the main building, to the grotto hidden behind the Basilica of the Sacred Heart, to the mural of 'Touchdown Jesus' that covers the wall of the Hesburgh Library, the structures and architecture of the campus hold special meaning for these visitors. In *Signs of Grace* Father Nicholas Ayo, C.S.C., a Holy Cross priest and a professor in the Program of Liberal Studies at Notre Dame explores some of the places on the campus made famous by television and movies, such as 1993's 'Rudy.' But he also delves deep into the hidden or unknown areas of campus that even some students may never have seen. His thoughtful and spiritual musings are the perfect guide to a campus tour or just as a vivid picture of the spiritual place that is Notre Dame.

Theodore Hesburgh, CSC Edward P. Hahnenberg, 2020-08-14 When asked what he wanted written on his tombstone, Fr. Theodore Hesburgh responded with one word: Priest. This giant of a man—a man who advised presidents and counseled popes, who championed civil rights and world peace, who accepted 16 presidential appointments and 150 honorary degrees, who served an unprecedented thirty-five years as president of the University of Notre Dame—could have listed any number of accolades. Instead, he chose his first and most important vocation. Fr. Ted never felt that his calling to be a priest set him apart. Rather, it drew him into relationships with others and out in service to the world. It was a call to serve as mediator, to bridge the divides that separate church and society, conservatives and liberals, the powerful and those on the margins. He spent his life bringing people together. This new biography is the first to tell the story of the spirituality that shaped one of the twentieth century's most distinguished public servants. It is a story to inspire all those who strive to live out their faith in the midst of a deeply divided world.

**All for Her** Patrick Peyton C.S.C., 2019-04-05 On December 18, 2017, Pope Francis declared that Father Patrick Peyton, C.S.C., lived a life of heroic virtue and gave him the title “venerable,” marking another step closer to sainthood for the “Rosary Priest.” This new edition of Peyton’s biography tells the story of his life and dedication to the Blessed Mother as he discerned his vocation, overcame the obstacles of advanced tuberculosis and lack of education, and became a priest who eventually preached to more than 28 million people worldwide, worked with Hollywood stars, and founded Family Rosary and Family Theater Productions. This new edition of Peyton’s autobiography—originally published in 1967 and reissued in a

revised edition in 1997—includes black-and-white photos and a new foreword by Holy Cross Family Ministries president Fr. Willy Raymond, C.S.C., reflecting on Peyton’s legacy as a saint for family prayer and his cause for canonization. Meet one of the newest candidates for sainthood: a priest who was formed by his own family’s Rosary devotion—and his formation as a Holy Cross priest—to promote peace and unity across the globe through family prayer. Peyton—probably best known for the inspirational phrases “the family that prays together stays together” and “a world at prayer is a world at peace”—encouraged family prayer and devotion to the Rosary throughout his ministry. In his autobiography, the Rosary Priest reflects on his journey from a farm boy in Western Ireland to one of the most effective missionaries of the modern age. In *All for Her* Peyton describes his travels to America, hoping to become a millionaire and instead finding work as a janitor in the Scranton cathedral, where he realized the call to the priesthood. In 1929, Peyton entered the seminary, but after years of study and training he was diagnosed with advanced tuberculosis. Conventional treatments at the time were not working. He prayed to the Virgin Mary and his health quickly began to improve. In gratitude he committed his vocation to promote devotion to the Blessed Mother and the Rosary. On the day of his ordination as a priest in the Congregation of Holy Cross, Peyton said, “I gave my heart and soul in love to Mary. I promised her all the merit of my priesthood until death. The merit and glory of every action I would ever perform would be hers and hers alone.” Peyton immediately began advocating for the practice of family Rosary devotion. He embraced the new media as a means to reach people across the globe, and developed radio and television programs that spread a message of prayer and family unity. He founded Family Theater Productions in 1947. Performers in his productions included such stars of Hollywood’s golden age as Bing Crosby, Grace Kelly, Gregory Peck, and Lucille Ball. Peyton also preached to millions in person, organizing two hundred-sixty Rosary Crusades across the globe. These large rallies included worship, prayer, and benediction. Peyton continued to be active until the 1990s and died in 1992. In 1997, the cause for his canonization was opened. *All for Her* is part of Ave Maria Press’s Holy Cross series. These books explore and celebrate the history and spiritual vision of the Congregation of Holy Cross, a religious order of priests, brothers, and sisters founded in France in 1837 by Blessed Basil Moreau, C.S.C., who was beatified in 2007. Included in the series are works of biography, spirituality, and devotion.
