*Experiencias* D Ceo-Difrancesco,2019-11 In *Experiencias Intermediate*, students follow Sofâia, a 23-year-old heritage learner of Spanish from the U.S., who travels extensively. Like Daniel in *Experiencias Beginning*, Sofâia introduces each chapter's main strategy and shares her blog on the Spanish-speaking world. Through her video segments, Sofâia poses questions to Spanish speakers and invites students to compare others' perspectives to their own. Guided by the ACTFL Proficiency Guidelines (2012), *Experiencias* concentrates on what students can realistically communicate after two to four semesters of classroombased Spanish language instruction. *Experiencias Beginning* develops oral communication and literacy through a variety of authentic tasks. With the help of *Experiencias Intermediate* students continue to develop communicative competencies while also focusing on practical literacies, digital humanities, and job-related skills. The communicative nature of the tasks found in the book encourages students to begin using Spanish immediately in the classroom as they express their own personal meaning--
