Model Rules of Professional Conduct American Bar Association. House of Delegates, Center for Professional Responsibility (American Bar Association), 2007 The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

**TIP 35: Enhancing Motivation for Change in Substance Use Disorder Treatment (Updated 2019)** U.S. Department of Health and Human Services, 2019-11-19 Motivation is key to substance use behavior change. Counselors can support clients' movement toward positive changes in their substance use by identifying and enhancing motivation that already exists. Motivational approaches are based on the principles of person-centered counseling. Counselors' use of empathy, not authority and power, is key to enhancing clients' motivation to change. Clients are experts in their own recovery from SUDs. Counselors should engage them in collaborative partnerships. Ambivalence about change is normal. Resistance to change is an expression of ambivalence about change, not a client trait or characteristic. Confrontational

approaches increase client resistance and discord in the counseling relationship. Motivational approaches explore ambivalence in a nonjudgmental and compassionate way.

**The Change Your Name Store** Leanne Shirliffe, 2014-05-20 Who am I? It's a question a lot of children seem to ask themselves, at which point being "them" simply isn't enough. They want to be someone better. Many kids want to change their names. This is what happened to Wilma Lee Wu. One day, Wilma decides she no longer likes her name, and she sets off for the Change Your Name Store to find a new one. Once at the store, the possibilities seem endless. Mrs. Zeena McFooz, the store-owner, says that Wilma can try out any new name she wants with one catch: she must "go for a ride" to discover what it means to be that name. Will being Babette Bijou from France be better than Wilma Lee Wu? What about Dominga Delfino from Belize? Featuring an exciting story of discovery from author and humor blogger Leanne Shirliffe (of [IronieMom.com](http://IronieMom.com)), and fun, simple illustrations by Tina Kügler, The Change Your Name Store takes children on a journey to find their true identity and to celebrate who they are—name and all. Children ages 3 to 6 will be able to relate to Wilma's search for who she really is. The book promotes diversity, which is an important topic to kids to understand at an early age, and will be a good addition to preschool classrooms and urban homes in particular. Zeena McFooz is gentle and matter-of-fact, and the tone of the book is one of exploration and celebration of our individuality. The illustrations are sure to captivate kids' attention while helping to bring this important message to life. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Washington State Notary Public Guide Washington State Department, 2019-04-06 The Department of Licensing has worked to keep the notary public application process as simple as possible. A prospective notary need only submit a complete application, proof of a \$10,000 surety bond, and appropriate fees to the Department of Licensing in order to begin the process. Once an applicant has completed all application requirements and proven that he or she is eligible, the Department will have a new certificate of commission mailed out promptly. New in 2018, notaries public can also apply for an electronic records notary public endorsement, which allows the notary to perform notarial acts on electronic documents as well as paper documents. The application process is similar to the application process for the commission, and can be done at the same time or separately.

*Idaho Notary Public Handbook* Idaho Secretary of State, 2019-04-06 Everybody knows what a notary public does, right?

Actually, there is much misunderstanding and confusion about what the proper role and duty of a notary is. A notary public does not legalize documents, or verify the accuracy or truthfulness of the content or statements made in a document, and yet the role that a notary plays in ascertaining the identity of the person who signs a document, placing that person under oath, if required, and determining the signer's intent and willingness to consent to the transaction is vital in modern society. A notary public is a public official commissioned by the Secretary of State to administer oaths and affirmations, take acknowledgments, witness signatures, and perform other duties as permitted by state law. A notary should be familiar with the Idaho notary laws and to follow the standards of reasonable care for performing a notarial act.
