Mount Holyoke College Donna Albino,2001-04-01 By the turn of the nineteenth century, Mount Holyoke College had already built a strong reputation as a female seminary and was emerging as a top-ranked women's college, especially for students in the sciences. Around this time, postcards were becoming a popular and entertaining form of communication. In this attractive and fascinating volume, we get a glimpse of the early images of the school, as well as the messages written by students in attendance as they kept in touch with friends and family. As the school grew and changed, so did the messages sent home from the campus.

A Male President for Mount Holyoke College Ann Karus Meeropol,2014-02-10 A struggle arose over who would succeed Mary Emma Woolley as president of Mount Holyoke College in 1937. Over her 36-year tenure, Woolley had transformed Mount Holyoke into an elite women's college in which leadership in the administration and faculty was almost exclusively

female. Beginning in 1933, a group of male trustees determined to change the college. This book tells the story of how this group dominated the search process and ultimately convinced the majority of the trustees to offer the presidency to Roswell Gray Ham, an associate professor of English at Yale University.
