Federal Employees Compensation Act ,1983

Federal Employees' Compensation ACT (Feca) Addison K. James, Filip E. Davis, 2012-01-07 The Federal Employees' Compensation Act (FECA) is the workers' compensation program for federal employees. Like all workers' compensation programs, FECA pays disability, survivors, and medical benefits, without fault, to employees who are injured or become ill in the course of their federal employment and the survivors of employees killed on the job. The FECA program is administered by the Department of Labor (DOL) and the costs of benefits are paid by each employees' host agency. Employees of the U.S. Postal Service (USPS) currently comprise the largest group of FECA beneficiaries and are responsible for the largest share of FECA benefits. This book examines the key policy issues facing the FECA today, including the disproportionate share of claims and program costs attributed to postal workers, the payment of FECA benefits after retirement age, the overall generosity of FECA disability benefits as compared with those offered by the states, and the overall administration of the FECA program.

Ask a Manager Alison Green,2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but

firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

How to Win a Worker’s Compensation Claim in Illinois - Your 3 Basic Rights: The injured worker's guide to temporary total disability and medical benefits in Illinois Mark Weissburg, 2019-10-21 Know your rights! Illinois workers have a powerful set of rights protecting them if they get injured. But you need to understand those rights in order to protect them. Author Mark Weissburg has won millions of dollars for injured workers, and now he reveals the secrets of winning these cases to you. In this abridged version of the full book you'll learn: The 3 basic rights you have under the Workers' Compensation Act. The insurance company has their handbook and their attorney. Who have you got in your corner? Benefit from the advice of an experienced attorney, protect your rights, and get the benefits you deserve. This abridged version is based on the Second Edition with changes to the law made in 2011 that have a significant impact on workers' rights. Introduction: Josie has been working hard all morning, and now she’s heading to the employee lunchroom for a break. She notices that her left knee is a little sore, and wonders if it’s from her early morning jog before work. In the lunchroom, she walks to the water cooler and slips on the floor, falling hard on her knee. It was sore, but now it’s incredibly painful. She tries to stand on it, but can’t, and it’s swelling up. Should Josie tell her supervisor what happened? Should she see her own doctor or the company doctor? Could she successfully file a claim for Workers’ Compensation benefits? How? Does it matter that she was on her lunch break? Does it make a difference that her knee was already sore before she fell? Does it matter what kind of shoes she was wearing, how old the floor is, or what day of the week it is? In an ideal world, Josie would be able to get her Workers’ Compensation benefits, get healthy, and get back to work. But there are several potential problems with her claim, and depending on how she deals with those problems, she may or may not get benefits. What should she know, what should she do, to smooth the road ahead. This book will answer those and many other questions. You’ll learn the 3 basic rights all Illinois workers have if they are injured at work. About the author: After working in film and video production for five years, Mark Weissburg studied law at The John Marshall Law School in Chicago, where he served on the editorial board of the law review and graduated in 1995 with honors. Since then, he has been practicing law with a focus on the rights of injured workers. He has helped thousands of injured people get the benefits they are entitled to. His areas of expertise include Workers' Compensation law, Medicare subrogation rights and set aside arrangements, and disability benefits law. He has also taught at The John Marshall Law School as an adjunct law professor. Mark Weissburg is a partner with Horwitz, Horwitz & Associates representing clients throughout the Chicago area.
