Abraham Lincoln and the Union Nathaniel Wright Stephenson,2012 Presents information on the causes of the Civil War and the reasons for President Lincoln's success, with a focus on the historical sequence of events and the career and character of Lincoln.

Abraham Lincoln and a New Birth of Freedom Howard Jones,2002-04-01 In *Abraham Lincoln and a New Birth of Freedom*, Howard Jones explores the relationship between President Lincoln's wartime diplomacy and his interrelated goals of forming a more perfect Union and abolishing slavery. From the outset of the Civil War, Lincoln's central purpose was to save the Union by defeating the South on the battlefield. No less important was his need to prevent a European intervention that would have facilitated the South's move for independence. Lincoln's goal of preserving the Union, however, soon evolved into an effort to form a more perfect Union, one that rested on the natural rights principles of the Declaration of Independence and thus necessitated emancipation.

Lincoln of Kentucky Lowell Harrison, 2000-01-01 Young Abraham Lincoln and his family joined the migration over the Ohio River, but it was Kentucky--the state of his birth--that shaped his personality and continued to affect his life. His wife

was from the commonwealth, as were each of the other women with whom he had romantic relationships. Henry Clay was his political idol; Joshua Speed of Farmington, near Louisville, was his lifelong best friend; and all three of his law partners were Kentuckians. During the Civil War, Lincoln is reputed to have said, I hope to have God on my side, but I must have Kentucky. He recognized Kentucky's importance as the bellwether of the four loyal slave states and accepted the commonwealth's illegal neutrality until Unionists secured firm control of the state government. Lowell Harrison emphasizes the particular skill and delicacy with which Lincoln handled the problems of a loyal slave state populated by a large number of Confederate sympathizers. It was not until decades later that Kentuckians fully recognized Lincoln's greatness and paid homage to their native son.

The Battles that Made Abraham Lincoln Larry Tagg, 2012 Abraham Lincoln is a beloved American icon, widely considered to be our best president. It was not always so. This book is the first study of its kind to concentrate on what Lincoln's contemporaries thought of him during his lifetime, and the obstacles they set before him. Be forewarned: your preconceived notions are about to be shattered.

Personal Recollections of Abraham Lincoln and the Civil War James Roberts Gilmore, 2013-09 This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1898 edition. Excerpt: ... CHAPTER VIII. MY CONNECTION WITH THE NEW YORK TRIBUNE. The purpose for which I had established the Continental Monthly was accomplished by the issue of President Lincoln's Emancipation Proclamation. The North had at first taken up arms to maintain the Union, regardless of the extension or non-extension of slavery; but gradually a majority of the people had come to the conclusion that the life of the nation could not be preserved without the total extinction of the peculiar institution. Of this I had been convinced by the general acclaim with which the Northern press had greeted the Emancipation Proclamation; but I soon had stronger evidence of it from personal contact with the people through a series of lectures that I delivered before literary associations in all the larger cities of the North. This revolution in public sentiment had been mainly brought about by the irresistible logic of events,--the slow progress of the war, and the long series of disasters that had attended the Union armies; but though the people had thus been schooled by events, they had, doubtless, been largely influenced by the bold utterances of Charles G. Leland in the Continental Monthly, which had been scattered broadcast over the North. Clear-sighted statesmen had from the beginning seen that the real issue was the permanent establishment, or the entire extinction, of slavery; but Leland was the first to tell this truth to the people, and he told it in words that rang through the North like the notes of a bugle. With his whole heart and soul he had entered the conflict. His friends had counselled him to moderate his

tone; William H. Seward had rewarded his zeal with the elegant anathema, Damn Leland and the Continental; and even Robert J. Walker had...
