Deborah Zimmer

Deborah Deborah Nemeth,2020-11-06 This memoir is about a life filled with joy and adventures, but also so many mistakes that its author thinks it could be classified as a How not to do book. Personal and unique observations compiled through world travel, raising a family, work, love, loss and just living each day are intimately disclosed on every page. A product of the great American post war proud middle class, Deborah believes anything is possible, until it's not, and even then hangs on for the ride. What happens? Let her tell you.

Saturday's Child Deborah Burns,2019-04-09 “Devilishly sharp... a masterful balance of psychological excavation and sumptuous description.” —Kirkus Reviews An only child, Deborah Burns grew up in prim 1950s America in the shadow of her beautiful, unconventional, rule-breaking mother, Dorothy—a red-haired beauty who looked like Rita Hayworth and skirted norms with a style and flair that made her the darling of men and women alike. Married to the son of a renowned Italian family with ties to the underworld, Dorothy fervently eschewed motherhood and domesticity, turning Deborah over to her spinster aunts to raise while she was the star of a vibrant social life. As a child, Deborah revered her charismatic mother, but Dorothy was a woman full of secrets with a troubled past—a mistress of illusion whose love seemed just out of her daughter’s grasp. In vivid, lyrical prose, Saturday’s Child tells the story of Deborah’s eccentric upbringing and her quest in midlife, long after her parents’ death, to uncover the truth about her mother and their complex relationship. No longer under the spell of her maternal goddess, but still caught in a wrenching cycle of love and longing, Deborah must finally confront the reality of her mother’s legacy—and finally claim her own.

Margarita Wednesdays Deborah Rodriguez,Ellen Kaye,2015-02-24 Continues the author's journey of self-discovery after her 2007 flight from Afghanistan, where after experimenting with New Age culture she became a hairdresser in seaside Mexico within a new family of locals and expats.

Selenidad Deborah Paredez,2009-07-22 An outpouring of memorial tributes and public expressions of grief followed the death of the Tejana recording artist Selena Quintanilla Pérez in 1995. The Latina superstar was remembered and mourned in documentaries, magazines, websites, monuments, biographies, murals, look-alike contests, musicals, drag shows, and more. Deborah Paredez explores the significance and broader meanings of this posthumous celebration of Selena, which she labels “Selenidad.” She considers the performer’s career and emergence as an icon within the political and cultural transformations

in the United States during the 1990s, a decade that witnessed a “Latin explosion” in culture and commerce alongside a resurgence of anti-immigrant discourse and policy. Paredez argues that Selena’s death galvanized Latina/o efforts to publicly mourn collective tragedies (such as the murders of young women along the U.S.-Mexico border) and to envision a brighter future. At the same time, reactions to the star’s death catalyzed political jockeying for the Latino vote and corporate attempts to corner the Latino market. Foregrounding the role of performance in the politics of remembering, Paredez unravels the cultural, political, and economic dynamics at work in specific commemorations of Selena. She analyzes Selena’s final concert, the controversy surrounding the memorial erected in the star’s hometown of Corpus Christi, and the political climate that served as the backdrop to the touring musicals *Selena Forever* and *Selena: A Musical Celebration of Life*. Paredez considers what “becoming” Selena meant to the young Latinas who auditioned for the biopic *Selena*, released in 1997, and she surveys a range of Latina/o queer engagements with Selena, including Latina lesbian readings of the star’s death scene and queer Selena drag. *Selenidad* is a provocative exploration of how commemorations of Selena reflected and changed Latinidad.

Deborah's Story Deborah Zimmer,2021-12

Two Kinds of Color Deborah Kennedy,2010-01-19 A beautiful and sensuous woman, Freddie Walker, has fallen into the hands of a vain and greedy businessman, Jimmy Tate. His notorious reputation and illegal business practices allow him to take and make all the money he can. To Jimmy's astonishment Freddie has fallen in love with another man and is ready to change her life. On a stormy night she has decided to take her children and leave Jimmy for good. When Jimmy finds out he goes berserk and attempts to kill her. But her best friend, Ruby Johnson, a woman of deep faith who has a special relationship with God, arrives just in time. Inside Freddie's dark bedroom a struggle ensues and Jimmy is killed. The children are sent to foster homes and separated from one another. Freddie and Ruby are sent to prison. But did Ruby really kill Jimmy? What sacrifices did Freddie make for the sake of her children? What secrets did she keep from them? What is their legacy? As adults, will they have the courage to meet each other to find out? Two kinds of color is the story of a mother's love and sacrifice for her divided children--a story of the real meaning of having a true best friend. It is the story of surrender; of having faith and belief in God. It is the story of the breaking and then the making of a family.

Forced to flee her life in Afghanistan after the publication of her first book, *The Kabul Beauty School*, she leaves behind her friends, her possessions and her two beloved businesses: a hair salon and a coffee shop. But life proves no easier 'back home'. After a year living in California where she feels like a misfit, teetering on the edge of sanity, Deborah makes a decision. One way or another she's going to get the old Deb back. So, at the age of forty-nine, she packs her life and her cat, Polly, into her Mini Cooper and heads south to a pretty seaside town in Mexico. Home is now an unassuming little house on Carnaval Street. There she struggles to learn Spanish, works out with strippers and spends her Saturday nights watching clowns. And maybe - just maybe - the magic of Mexico will finally give her what she's always dreamed of: a life on her own terms ...If you liked *Eat, Pray, Love* you will love *The House on Carnaval Street*. Rodriguez's story speaks to every woman, mother, sister, wife - to anyone who has ever questioned their relationships, their place in the world and the choices that they've made.

Frida Kahlo Deborah Kent, 2004 Introduces the life of the world-famous Mexican artist who overcame polio, injuries from a near-fatal bus accident, a tempestuous marriage to Diego Rivera, and other difficulties.

Sacred Leaf Deborah Ellis, 2007 After being taken in by a family of coca farmers, Diego is devastated when the army threatens to destroy the only source of income they have and so works to stop the army and save the people he has come to love.

The Secret Between Us Barbara Delinsky, 2008-11-04 Nothing will break this mother-daughter bond. Not even the truth. Deborah Monroe and her daughter, Grace, are driving home from a party when their car hits a man running in the dark. Grace was at the wheel, but Deborah sends her home before the police arrive, determined to shoulder the blame for the accident. Her decision then turns into a deception that takes on a life of its own and threatens the special bond between mother and daughter. *The Secret Between Us* is an unforgettable story about making bad choices for the right reasons and the terrible consequences of a lie gone wrong. Once again, Barbara Delinsky has delivered a riveting study of family and a superbly crafted novel, perfectly targeted to reading groups and fans of provocative fiction.

Before she can do that she'll have demons to wrestle - both inside and out. After all, Life is no fairy tale.

Uniquely Stella Deborah M. Menenberg, 2019-11-08 How does a woman become courageous? When does she learn to be formidable? How does she become powerful enough to make a difference and change the world? At the end of World War II, 19-year-old Stella leaves her job at a war factory in Chicago to embark on a journey of unexpected consequences. Boarding a train headed west, she meets her new best friend, a young black woman. Together they learn the complexities and depth of

discrimination and prejudice. These lessons fuel Stella's poignant and powerful journey that truly begins with the birth of her Down's syndrome daughter. During an era when handicapped children were kept hidden, institutionalized, or even allowed to die, Stella refuses this mindset, defying conventional thinking. Facing her own fears and denial, she confronts society's exclusion of those who are different. She must accept her husband's desertion due to his guilt over fathering a disabled child. Even her supporters struggle with what to do and how to help. With stubborn determination, Stella rejects what she is expected to do when she realizes what she must do. When eventually confronting a school system that can legally refuse to educate those that don't fit in, Stella becomes intent on giving voice to an ignored population. Inspired by a true story, Uniquely Stella combines love, humor, and grace into a tale reminding us that the policies and laws governing us should always be guided by a passion for equality.

Her Second Act Deborah Busby, 2014-02-14 They say hindsight is twenty-twenty. For aspiring playwright Drew Carlisle, looking back brings nothing but regret and sorrow. A heat of the moment decision to turn away from the man she loved and into the arms of the wrong person, is a mistake she has mourned forever. Since that terrible night, she's been hiding from every failure and every catastrophe. It seems that she can only leave pain and misery in her wake. But all that is about to change... When Drew takes a chance and returns to Portland State University, her ground zero, she finds Stetson Marshall still there. Once her own personal Hamlet, she followed him around like Ophelia, living for the scraps of attention he threw her way. Yet even now he doesn't seem to remember things the same way she does. Can Drew find the strength to face him and the pain he caused her? Or will her feelings for him once again be the undoing of her and her sobriety?

Identity Deborah Sevilla, 2021-01-23 People have an innate desire to belong or fit in, morphing themselves into groups. It's more than appearance. Demeanor, mannerisms, attitude, and language patterns are all subconsciously manipulated by the company they keep. Katherine made all those choices consciously. Contact lenses, makeup, hair coloring, and style were only the beginning. When she created the persona for this project, she knew it was going to be a challenge. Tight groups always are. It didn't take her long to be accepted and to become a vital part of the group, maybe that should have been the first clue that everything was not as it seemed.

A Beauty Unbroken Deborah Russo, 2022-11-07 A Beauty Unbroken is a story of sorrow and despair, tragedy and loss, of intrigue and passion full of remarkable courage, love, and resilience. It happens in the majestic mountains and cliffs of Southern Italy in the Campania Region with views of the Bay of Naples, Sorrento, Positano, and the Mediterranean Sea. Born in 1948, thirteen-year-old Violetta Yanonne, a smart, noncompliant, and sassy Italian Catholic girl, lives on a farm with her grandparents and single mother in Benevento, Italy. While longing to be loved, she's a dreamer in search to know who her father is. Violetta has a belligerent mistrust of adults who insist she marry young, be a dutiful wife, and ignore her passion for a college degree and a career. Having been exposed to the effects of lies and deception, scandals, pedophilia, rape, and

murder, Violetta is skeptical of the Catholic Church and its patriarchal teachings. In her discontent, she takes to the mountains and sea. She follows her intuition, feeling its presence deep within her heart. Determined to leave her home country for a better life, Violetta avoids a committed relationship with Julius, who is in love with her, even though they have a deep love for one another since childhood. Her biggest dream is to go to the United States as a singer-actress in New York City with aspirations of being a teacher of drama or a journalist, where she can use her voice as an advocate for female equality.

Raspberries & Romeo Days Debra Tabor, 2020-05-31 Talented and successful singer Sophie Morton did not know how the events of a particular summer in the 1970s would haunt her far into her adult life. As a child, she escaped the darkness of her father's rage by spending time with her best friend Mary Ann. They were particularly consumed the summer Evie Barrington returned home. Only her father's death would bring Evie back after ten years away. She returned to the old Victorian mansion to uncover the truth about her mother's life, its tragic end, and her father's cruelty. In the wake of it all, a circle of women, would have to face struggles, move forward, and learn to heal.

Innocence Unraveled Debbie Barnett, 2020-09-30 There I go again, another piece of me chipped away. Another piece unraveled. And unlike one of my knitted pieces, this mistake would remain. Raised in a Jewish household in Connecticut, Debbie left her childhood in the groovy '60s and entered her teenage years during the disco era. Finding any excuse to escape her neglectful, abusive mother, she turned to attentive boys for attention. Then she met Ivan, her first true love. Life was looking up. Until the pregnancy test came back positive, and a botched abortion and rape left Debbie feeling undone. Only fifteen and she had hit rock bottom. Debbie's life was unraveling before her eyes. Was it too late to stitch up her mistakes? Could she hide these secrets from her mother? Darkly comedic and downright harrowing *Innocence Unraveled* is a revealing memoir about a young woman whose resilience led to her survival in an unkind world.

Memories of Sad Brown Eyes Deborah Barclay, 2006-11 A compelling story told through the eyes of a child, whisked away to a foreign country at a young age so her mother could escape being stalked and also mentally and physically abused by a colleague her mother had worked with in the Governors Office in Florida. A story of her mother finding her one and only true love, only to be murdered mysteriously and made to look like an accident. Savanna recounts her childhood memories growing up in Italy, the prejudicial attitude reflected toward Americans during the post World War II era, everyday life growing up around the Vatican, and interacting with the clergy where her mother worked in the diplomatic core. Barely escaping her stalker on a chance encounter in Rome, her mother seeks the security in the arms of yet another wrong man she met in Italy who would also abuse and emotionally torture her, threatening Savanna's life and disappearance until she eventually married him, and he would bring her and Savanna back to the States. Once home, Savanna would watch her mother wither away and die of breast cancer while her step-father stood by emotionless. As a young adult, Savanna is determined to seek revenge

against the man that caused them to flee the country. She has a passion to model and due to her looks, she was able to quickly fit in and meet many influential people that would allow her to gain insider information from the political who's who to gain an edge on her mother's stalker. The story, as seen through a child robbed emotionally for many years of a normal childhood, reverting to practices learned growing up in an environment of lying and deceit. Savanna sets her sights on revenge and pulls off the ultimate scam against her foe where others had tried and not succeeded. All too late she realizes revenge only belongs to God. Savanna travels back to her roots as a midlife adult to meet all the members of her extended family on her father's side that thought she had died in childhood. Come take the trip back with her to re-live all of the real life experiences her extended family had to contend with while she was then recounts her life growing up under such a fearful experience as a young child. See the toll it takes on a child when a parent is subjected to stalking, these are truly memories of Sad Brown Eyes.
