Leslie Cohen

Gen Silent, 2015 What would you do if you were old, disabled or ill - and the person feeding you put down the spoon and said that you are going to hell unless you change your sexual preference? Sound absurd? Social workers around the world say it's happening every day. *Gen Silent* is the critically acclaimed documentary from filmmaker Stu Maddux that asks six LGBT seniors if they will hide their friends, their spouses- their entire lives in order to survive in the care system. Their surprising decisions are captured through intimate access to their day-to-day lives over the course of a year. It puts a face on what experts in the film call an epidemic: gay, lesbian, bisexual or transgender older people so afraid of discrimination by caregivers or bullying by other seniors that many simply go back into the closet. Unlike any film before, *Gen Silent* startlingly discovers how oppression in the years before Stonewall now affects older lesbian, gay, bisexual and transgender people with fear and isolation. Many who won the first civil rights victories for generations to come are now dying prematurely because they are reluctant to ask for help and have too few friends or family to care for them. *Gen Silent* shows the disparity in the quality of paid caregiving from mainstream care facilities committed making their LGBT residents safe and happy, to places where LGBT elders face discrimination by staff and bullying by other seniors. As we watch the challenges that these men and women face, we are offered new hope as each person crosses paths with impassioned people trying to change LGBT aging for the better. *Gen Silent*'s recent screenings include Fortune 500 companies, the world's leading colleges and universities as well as some of its largest conferences on aging, psychology and LGBT advocacy. We are even prouder of the community centers, places of worship and student groups using *Gen Silent*.

The Equal Curriculum James R. Lehman, Kristine Diaz, Henry Ng, Elizabeth M. Petty, Meena Thatikunta, Kristen

Eckstrand,2019-11-01 This first-of-its-kind textbook marks a revolutionary effort to reform medical education nationally by providing a comprehensive, high-quality resource to serve as a foundation for lesbian, gay, bisexual, transgender, and queer (LGBTQ) health education across multiple disciplines. Addressing the decades-long unequal weight of medical education generally offered about the care of LGBTQ people, The Equal Curriculum was created to advance clinicians' competencies in optimizing the health of LGBTQ people. This textbook is designed to be integrated into health sciences curricula and offers pointed strategies to evaluate the integration of LGBTQ health topics. Starting with a brief overview, chapters 1 through 4 cover general content that is highly relevant to all health professionals working with LGBTQ people. Chapters 5 through 12 focus on specific patient populations and clinical specialties, and chapters 13 and 14 cover special topics. Key points in each chapter are highlighted to aid in the comprehension, and case vignettes are provided throughout the textbook, allowing learners to apply the content to clinical scenarios in order to evaluate how the application of relevant knowledge may impact health outcomes. Questions similar to National Board of Medical Examiners (NBME) style are provided in most chapters to assist in the application of content. As major addition to the clinical literature, The Equal Curriculum: Student and Educator Guide to LGBTQ Health should be of great interest to health sciences instructors, medical students in their preclinical and clinical phases, and trainees from other disciplines, such as physician assistants, nurses, social workers, and public health professionals.

Lesbian Friendships Jacqueline S. Weinstock, Esther Rothblum, 1996-08 Friends as lovers; lovers as friends; ex-lovers as friends; ex-lovers as family; friends as family; communities of friends; lesbian community. These are just a few of the phrases heard often in the daily discourse of lesbian life. What significance do they have for lesbians? Do lesbians view friends as family and what does this analogy mean? What sorts of friendships exist between lesbians? What sorts of friendships do lesbians form with non-lesbian women, or with men? These and other questions regarding the kinds of friendships lesbians imagine and experience have rarely been addressed. Lesbian Friendships focuses on actual accounts of friendships involving lesbians and examines a number of issues, including the transition from friends to lovers and/or lovers to friends, erotic attraction in friendship, diverse identities among lesbians, and friendships across sexuality and/or gender lines.

We Are Market Basket Daniel Korschun, Grant Welker, 2015-08-12 What if a company were so treasured and trusted that people literally took to the streets—by the thousands—to save it? That company is Market Basket, a popular New England supermarket chain. With its arresting firsthand accounts from the streets and executive suites, *We Are Market Basket* is as inspiring as it is instructive. What is it about Market Basket and its leader that provokes such ferocious loyalty? How does a company spread across three states maintain a culture that embraces everyone—from cashier to customer—as family? Can a company really become an industry leader by prioritizing stakeholders over shareholders? After long-time CEO Arthur T. Demoulas was ousted by his cousin Arthur S. Demoulas, the company's managers and rank-and-file workers struck back.

Risking their own livelihoods to restore the job of their beloved boss they walked out, but they didn't walk far. The national media and experts were stunned by the unprecedented defense of an executive. All openly challenged the Market Basket board of directors to make things right. In the end: They were joined by loyal customers at protest rallies—leaving stores empty. Suppliers and vendors stopped deliveries—rendering shelves bare. Politicians were forced to take sides. Set against a backdrop of bad blood and corporate greed, *We Are Market Basket* is a page-turner that chronicles the epic rise, fall, and redemption of this iconic and uniquely American company. The Audacity of a Kiss Leslie Cohen, 2021-09-17 Shortlisted for Lesbian Memoir/Biography Lammy Award Rendered in bronze, covered in white lacquer, two women sit together on a park bench in Greenwich Village. One of the women touches the thigh of her partner as they gaze into each other's eyes. The two women are part of George Segal's iconic sculpture "Gay Liberation," but these powerful symbols were modeled on real people: Leslie Cohen and her partner (now wife) Beth Suskin. In this evocative memoir, Cohen tells the story of a love that has lasted for over fifty years. Transporting the reader to the pivotal time when brave gay women and men carved out spaces where they could live and love freely, she recounts both her personal struggles and the accomplishments she achieved as part of New York's gay and feminist communities. Foremost among these was her 1976 cofounding of the groundbreaking women's nightclub Sahara, which played host to such luminaries as Betty Friedan, Gloria Steinem, Pat Benatar, Ntozake Shange, Rita Mae Brown, Adrienne Rich, Patti Smith, Bella Abzug, and Jane Fonda. *The Audacity of a Kiss* is a moving and inspiring tale of how love, art, and solidarity can overcome oppression.

One part love story, one part practical advice, this compelling book includes several unique elements: Excerpts from Elaine's journal, recounting her thoughts, concerns, and frustrations as the disease progresses A recurring feature called "What I Wish I'd Known," which provides helpful takeaways for caregivers based on Marty's observations about what he wishes he'd known sooner and done differently A Q&A between Marty and neuropsychologist Dr. Michelle Braun, to equip caregivers with the right questions to ask and empower them to

advocate for their loved ones and their own needs Beyond sincere, practical advice, *My Two Elaines* gives the reader permission to feel the full spectrum of emotions, including humor, even in the face of this relentless illness. And the book speaks to anyone touched by this disease--spouse, child, friend, or family member.

Gay and Lesbian Elders Professor Nancy J Knauer, 2013-02-28 The approximately two million gay and lesbian elders in the United States are an underserved and understudied population. At a time when gay men and lesbians enjoy an unprecedented degree of social acceptance and legal protection, many elders face the daily challenges of aging isolated from family, detached from the larger gay and lesbian community, and ignored by mainstream aging initiatives. Drawing on materials from law, history, and social theory, this book integrates practical proposals for reform with larger issues of sexuality and identity. Beginning with a summary of existing demographic data and offering a historical overview of pre-Stonewall views of homosexuality, author Nancy J. Knauer goes on to address the invisibility of this community. She examines the multiple double binds central to their identity formation, including ageism among gays and lesbians and homophobia among seniors. Further, the book focuses on specific legal concerns such as estate planning, housing, discrimination, and financial insecurity, and how they impact this community uniquely. Integrating theory with practical questions of policy, and advancing a new understanding of the construction of sexuality and identity, this book advocates meaningful new reforms designed to ensure equity and dignity in aging regardless of sexual orientation.

Gay Like Me Richie Jackson, 2020-01-28 Chosen by *Town & Country* as one of the most anticipated books of the year | Named An LGBTQ Book That'll Change the Literary Landscape in 2020 by *O: The Oprah Magazine* In this poignant and urgent love letter to his son, award-winning Broadway, TV and film producer Richie Jackson reflects on his experiences as a gay man in America and the progress and setbacks of the LGBTQ community over the last 50 years. "My son is kind, responsible, and hardworking. He is ready for college. He is not ready to be a gay man living in America. When Jackson's son born through surrogacy came out to him at age 15, the successful producer, now in his 50s, was compelled to reflect on his experiences and share his wisdom on life for LGBTQ Americans over the past half-century. *Gay Like Me* is a celebration of gay identity and parenting, and a powerful warning for his son, other gay men and the world. Jackson looks back at his own journey as a gay man coming of age through decades of political and cultural turmoil. Jackson's son lives in a seemingly more liberated America, and Jackson beautifully lays out how far we've come since Stonewall -- the increased visibility of gay people in society, the legal right to marry, and the existence of a drug to prevent HIV. But bigotry is on the rise, ignited by a president who has declared war on the gay community and fanned the flames of homophobia. A newly constituted Supreme Court with a conservative tilt is poised to overturn equality laws and set the clock back decades. Being gay is a gift, Jackson writes, but with their gains in jeopardy, the gay community must not be complacent. As Ta-Nehisi Coates awakened us to the continued pervasiveness of racism in America in *Between the World and Me*, Jackson's rallying cry in *Gay Like Me* is an eye-

opening indictment to straight-lash in America. This book is an intimate, personal exploration of our uncertain times and most troubling questions and profound concerns about issues as fundamental as dignity, equality, and justice. *Gay Like Me* is a blueprint for our time that bridges the knowledge gap of what it's like to be gay in America. This is a cultural manifesto that will stand the test of time. Angry, proud, fierce, tender, it is a powerful letter of love from a father to a son that holds lasting insight for us all.

Gay and Lesbian Aging Gilbert Herdt, PhD, Brian De Vries, PhD, 2003-11-17 The year 2003 marks the 30th anniversary of the landmark declassification of homosexuality as a disease by the American Psychiatric Association--a watershed in the lives of gays and lesbians in the United States. This volume brings to the forefront important issues concerning the health, mental health, and concomitant special social service needs of this population and emphasizes the need for more research on aging sexual minorities. Based on empirical and qualitative research methods, chapters focus on the myriad issues of aging for lesbians and gay men including: Social and Cultural Considerations about HIV Among Midlife and Older Gay Men Psychological Well-Being in Midlife Older Gay Men Well-Being Among Middle-Aged and Older Single Gay Men Lesbian Friendships at and Beyond Midlife Contributors include Judith Barker, Jacqueline Weinstock, Bertram Cohler, and Doug Kimmel, among others.

Shadow Work Craig Lambert, 2015-05-01 With the exception of sleep, humans spend more of their lifetimes on work than any other activity. It is central to our economy, society, and the family. It underpins our finances and our sense of meaning in life. Given the overriding importance of work, we need to recognize a profound transformation in the nature of work that is significantly altering lives: the incoming tidal wave of shadow work. Shadow work includes all the unpaid tasks we do on behalf of businesses and organizations. It has slipped into our routines stealthily; most of us do not realize how much of it we are already doing, even as we pump our own gas, scan and bag our own groceries, execute our own stock trades, and build our own unassembled furniture. But its presence is unmistakable, and its effects far-reaching. Fueled by the twin forces of technology and skyrocketing personnel costs, shadow work has taken a foothold in our society. Lambert terms its prevalence as middle-class serfdom, and examines its sources in the invasion of robotics, the democratization of expertise, and new demands on individuals at all levels of society. The end result? A more personalized form of consumption, a great social leveling (pedigrees don't help with shadow work!), and the weakening of communities as robotics reduce daily human interaction. *Shadow Work* offers a field guide to this new phenomenon. It shines a light on these trends now so prevalent in our daily lives and, more importantly, offers valuable insight into how to counter their effects. It will be essential reading to anyone seeking to understand how their day got so full—and how to deal with the ubiquitous shadow work that surrounds them.

Snow Hunters Paul Yoon, 2013-08-06 A highly anticipated debut novel from 5 Under 35 National Book Foundation honoree featuring a Korean War refugee who emigrates to Brazil to become a tailor's apprentice and confronts the wreckage of his past--

The Word Is Art Michael Petry, 2021-07-08 There has been much scaremongering about the 'death of the book', and how, as words find new ways and means of transmission, young people might gradually begin to shun writing. In the digital age, text becomes information, and information strives to become free. But what value can text hold in the sphere of visual art? How is such text different from poetry? Can the poetic itself be visual art, or is text in this context consigned to the realms of gimmick and catchphrase? Looking at the work of a broad range of artists including Bruce Nauman, Julien Breton, Jeremy Deller, Takashi Murakami, Tracey Emin, Christian Boltanski and many more, *The Word is Art* examines each of these questions, contending above all that in the digital and online age, words have become more important than ever. With the advent of texting and social media, many predicted the debasement of language, and some have pointed to evidence of this in our so-called 'post-truth' culture. Artist Michael Petry demonstrates that, on the contrary, words remain critical, powerful

and central to art practice. Digital communication has seen the word as text permeate life in ways that the poets and artists of yesterday could never have imagined. Presenting a brief history of word- and book-based art, and examining major areas where the word has dominated artistic practice, this book takes us on a fascinating and richly illustrated global tour of diverse contemporary art forms. With 250 illustrations in colour
