Essentials of Early Childhood Education Carol Gestwicki, Jane Bertrand, 2011-02-03 Essentials of Early Childhood Education remains one of the best-selling and most revered texts in the field. The text emphasizes the importance of experience, interactions, and environments to support children in development. This edition highlights up-to-date coverage, statistics, and references to new Canadian studies as well as validates Early Childhood Education as a critical and meaningful vocation. Essentials of Early Childhood Education will provide students with the foundations necessary to study further in their field and achieve success in their field placements and practicum.

Early Childhood Education Barry Persky, Leonard H. Golubchick, 1991 Early childhood education and child care are now widely perceived to be among the central social needs of the nation. Used by more than 100 universities and colleges, the new second edition of this anthology is a collection of over 70 articles which together provide a comprehensive overview of the early childhood situation from a historical, theoretical and practical perspective. These articles enable the reader to understand human development in young children, identify their intellectual strengths and weaknesses, and develop the most effective teaching techniques. Also included is a review of events and conditions resulting in current educational practices. Classroom theory and techniques are examined not only within the U.S., but also run the gamut from the Israeli kibbutz program to current teaching practices in the Soviet Union and China. Contents: National and Historical Perspectives; Philosophical and Theoretical Issues; Critical Issues; Exceptional Children; Curri

Early Childhood Education and Child Care Anne Bridgman, 1989

Educational Programs for Young Children Linda Taylor, 2019-11-13 Educational Programs for Young Children convenes a valuable collection of readings about early childhood curricula, providing students with a solid overview of available options for and approaches to education for young children. The book begins with a reading that focuses on seven conditions that are critical for learning in early childhood. Additional readings address the history of child care and instruction in the United States, Vygotskian and post-Vygotskian vi

High-Quality Early Childhood Programs Laura J. Colker, Derry J. Koralek, 2018-01-09 An invaluable tool for the director/supervisor striving to identify what aspects of an early childhood program need improvement. The detailed descriptions of what one should see in high quality programs (and why) gives readers a strong foundation of child

development knowledge and of principles translated into practice. Laura Colker is the author of over 100 publications and instructional guides, including co-authorship of *The Creative Curriculum for Preschool*, *The Creative Curriculum for Family Child Care*, and *The Creative Curriculum for Infants and Toddlers*. *The Creative Curriculum for Preschool*, now in its fifth edition, is the most widely used preschool curriculum in the United States. She also served as content specialist or scriptwriter on over forty educational videos for PBS and Reading Is Fundamental, and developed online training for early childhood caregivers and family child care providers for NACCRRRA (National Association of Child Care Resource and Referral Agencies). Diane Trister Dodge, founder and president of Teaching Strategies, Inc., is the author of numerous books, articles, and training materials on early childhood education. She is the lead author on all of Teaching Strategies books, including the popular *The Creative Curriculum* series. Derry Koralek is the President of DGK & Company, an independent consultant in early childhood education and developer of training materials and guidebooks. Past clients include Reading Is Fundamental, the Head Start Bureau, Military Child Development Programs, and the Devereux Foundation. Koralek is a past Editor-in-Chief of *Teaching Young Children*, National Association for the Education of Young Children, and winner of the Association for Educational Publishing Golden Lamp Award, 2014.

Family Engagement in Early Childhood Settings Mary Muhs, 2018-11-20 Working with parents and families can be a challenge, especially when there are contradicting expectations. However, it can also be a joyful and empowering experience for both the program and the family if partnering with families is built into the program's culture. Following a strengths-based approach, *Family Engagement in Early Childhood Settings* offers all programs, including family child care, center-based and school-based programs, strategies for building or enhancing interactions, engagement, expectations, communication and participation with families. This Redleaf Quick Guide provides clear information of what to do as well as what not to do when encouraging family engagement in early care and education programs. Readers will find helpful information on making the best first impressions with parents in-person and online, establishing effective and supportive intake meetings for both parents and program, setting expectations from both perspectives, two-way communication strategies including daily conversations, verbal and technological methods, conferences and documenting learning, and creating a culture of family engagement embedded into every part of your program.

Continuing Issues in Early Childhood Education Carol Seefeldt, 1990 Fifteen contributions by leaders in the field combine to present a balanced nonpartisan examination of key concerns. The book includes new chapters on advocacy, quality in child care, transition from preschool to primary school, developmentally appropriate practice, defining standards, developmental differences, and diversity.

Handbook of Early Childhood Education Robert C. Pianta, Susan M. Sheridan, 2015-08-12 Comprehensive and authoritative, this forward-thinking book reviews the breadth of current knowledge about early education and identifies

important priorities for practice and policy. Robert C. Pianta and his associates bring together foremost experts to examine what works in promoting all children's school readiness and social-emotional development in preschool and the primary grades. Exemplary programs, instructional practices, and professional development initiatives?and the systems needed to put them into place?are described. The volume presents cutting-edge findings on the family and social context of early education and explores ways to strengthen collaboration between professionals and parents.

Coverage of the national standards for the major curricular areas of literacy, mathematics, science, social science, and the arts is integrated throughout the book. New! PRAXIS correlations grid connects the content to the national PRAXIS exam. New! Observation Field Guide, a student supplement, helps students further integrate the information in the book with field experiences in the classroom. The journal entries engage the student in thinking about the material... the students like the book and feel it is easy to understand. -- Margaret L. Collier, Cuesta College The students like the stories and the journal questions. -- Carla Ahmann, Waubensee Community College Meet the Authors Amy Driscoll is currently Director of Teaching, Learning, and Assessment at California State University, Monterey Bay after more than 25 years as a professor of early childhood education/teacher education. She served on the national board of NAEYC and is President of California's Association of Early Childhood Teacher Educators. Nancy G. Nagel is Associate Dean of the Graduate School of Education at Lewis & Clark College in Portland, Oregon. She has coordinated early childhood/elementary programs and taught elementary mathematics. She has also taught first graders and children with special needs. Her research interests include empowering young children to become active citizens and supporting beginning teachers.

Early Childhood Systems Lynn Kagan, Kristie Kauerz, 2015-04-24 In this seminal volume, leading authorities strategize about how to create early childhood systems that transcend politics and economics to serve the needs of all young children. The authors offer different interpretations of the nature of early childhood systems, discuss the elements necessary to support their development, and examine how effectiveness can be assessed. With a combination of cutting-edge scholarship and practical examples of systems-building efforts taking place in the field, this book provides the foundation educators and policymakers need to take important steps toward developing more conceptually integrated approaches to early childhood care, education, and comprehensive services. Book Features: Provides the only up-to-date, comprehensive examination of early childhood systems. Considers new efforts to expand services, improve quality, maximize resources, and reduce inequities in early childhood. Offers a forum for the field to come together to frame a set of cogent recommendations for the future. Contributors: Kimberly Boller, Andrew Brodsky, Charles Bruner, Dean Clifford, Julia Coffman, Jeanine Coleman, Harriet Dichter, Sangree Froelicher, Eugene García, Stacie Goffin, Jodi Hardin, Karen Hill Scott, Janice Gruendel, Marilou Hyson, Amy Kershaw, Lisa G. Klein, Denise Mauzy, Geoffrey Nagle, Karen Ponder, Ann Reale, Sue Russell, Diana Schaack, Helene M. Stebbins, Jennifer M. Stedron, Kate Tarrant, Kathy R. Thornburg, Kathryn Tout, Fasaha Traylor, Jessica Vick Whittaker Sharon Lynn Kagan is the Virginia and Leonard Marx Professor of Early Childhood and Family Policy and Co-Director of the National Center for Children and Families at Teachers College, Columbia University. Kristie Kauerz is the

program director for PreK-3rd Education at Harvard Graduate School of Education (HGSE). "A veritable encyclopedia of ideas on early childhood system building." —Barbara T. Bowman, Irving B. Harris Professor of Child Development, Erikson Institute "The key to successful change is continued development of the frames of reference. Both editors have respected the past, listened to the implementers, and provided a context for moving forward. Like efforts to build systems of child development, which we must now link to growth in specific children we know by name, the book ends with robust examples of the work in progress. Sharon Lynn Kagan and Kristie Kauerz don't just talk about the work, they participate in the creation of change." —Sherri Killins, Ed.D, Commissioner, Department of Early Education and Care, Massachusetts

A Resource Guide to Public School Early Childhood Programs Cynthia L. Warger, 1988 In this book, early childhood authorities assist the readers in identifying the trends, research, and issues that are at the heart of important decisions in curriculum, instruction, and supervision.

History of Early Childhood Education V. Celia Lascarides, Blythe F. Hinitz, 2013-05-13 History of Early Childhood Education presents a thorough and elegant description of the history of early childhood education in the United States. This book of original research is a concise compendium of historical literature, combining history with the prominent and influential theoretical background of the time. Covering historical threads that reach from ancient Greece and Rome to the early childhood education programs of today, this in-depth and well-written volume captures the deep tradition and the creative knowledge base of early care and education. History of Early Childhood Education is an essential resource for every early childhood education scholar, student, and educator.

Early Childhood Programs and the Public Schools Anne Mitchell, Michelle Seligson, Fern Marx, 1989-08-30 The authors of this practical, timely work maintain that the public schools can, and should, play a role in delivering both a good educational start and high-quality care to young children. Addressed to a wide readership including federal and state legislators, state commissioners of social services and education, policy planners, education and advocacy organizations, and public school administrators, this book focuses on the major contemporary child care issues in a readable, understandable format. It will, by virtue of its breadth and authority, change the way those in the field perceive and respond to the critical and sensitive problems of early care.
