

THE LOVING STORY

Barbara Villet

The Lovings Barbara Villet, 2017-02-14 *The Lovings: An Intimate Portrait* documents the extraordinary love story of Mildred and Richard Loving. *The Lovings* presents Grey Villet's stunning photo-essay in its entirety for the first time and reveals with striking intensity and clarity the powerful bond of a couple that helped change history. Mildred, a woman of African American and Native American descent and Richard, a white man, were arrested in July 1958 for the crime of interracial marriage, prohibited under Virginia state law. Exiled to Washington, DC, they fought to bring their case to the US Supreme Court. Knowledge of their struggle spread across the nation, and in the spring of 1965, the *Life* magazine photojournalist Villet spent a few weeks documenting the Lovings and their family and friends as they went about their lives in the midst of their trial. *Loving v. Virginia* was the landmark US civil rights case that, in a unanimous decision, ultimately ended the prohibition of interracial marriage in 1967.

Slavery by Another Name Douglas A. Blackmon, 2012-10-04 A Pulitzer Prize-winning history of the mistreatment of black Americans. In this 'precise and eloquent work' - as described in its Pulitzer Prize citation - Douglas A. Blackmon brings to light one of the most shameful chapters in American history - an 'Age of Neoslavery' that thrived in the aftermath of the Civil War through the dawn of World War II. Using a vast record of original documents and personal narratives, Blackmon unearths the lost stories of slaves and their descendants who journeyed into freedom after the Emancipation Proclamation and then back into the shadow of involuntary servitude thereafter. By turns moving, sobering and shocking, this unprecedented account reveals these stories, the companies that profited the most from neoslavery, and the insidious legacy of racism that reverberates today.

Loving Sheryll Cashin, 2017-06-06 The landmark story of how interracial love and marriage changed American history—and continues to alter the landscape of American politics When Mildred and Richard Loving wed in 1958, they were ripped from their shared bed and taken to court. Their crime: miscegenation, punished by exile from their home state of Virginia. The resulting landmark decision of *Loving v. Virginia* ended bans on interracial marriage and remains a signature case—the first to use the words “white supremacy” to describe such racism. Drawing from the earliest chapters in US history, legal scholar Sheryll Cashin reveals the enduring legacy of America’s original sin, tracing how we transformed from a country without an entrenched construction of race to a nation where one drop of nonwhite blood merited exclusion from

full citizenship. In vivid detail, she illustrates how the idea of whiteness was created by the planter class of yesterday and is reinforced by today's power-hungry dog-whistlers to divide struggling whites and people of color, ensuring plutocracy and undermining the common good. Not just a hopeful treatise on the future of race relations in America, *Loving* challenges the notion that trickle-down progressive politics is our only hope for a more inclusive society. Accessible and sharp, Cashin reanimates the possibility of a future where interracial understanding serves as a catalyst of a social revolution ending not in artificial color blindness but in a culture where acceptance and difference are celebrated.

Loving Day Mat Johnson, 2016-09-06 A NEW YORK TIMES NOTABLE BOOK • “[Mat Johnson’s] unrelenting examination of blackness, whiteness and everything in between is handled with ruthless candor and riotous humor.”—Los Angeles Times “Razor-sharp . . . *Loving Day* is that rare *mélange*: cerebral comedy with pathos.”—The New York Times Book Review NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times • San Francisco Chronicle • NPR • Men’s Journal • The Miami Herald • The Denver Post • Slate • The Kansas City Star • San Antonio Express-News • Time Out New York Warren Duffy has returned to America for all the worst reasons: His marriage to a beautiful Welsh woman has come apart; his comics shop in Cardiff has failed; and his Irish American father has died, bequeathing to Warren his last possession, a roofless, half-renovated mansion in the heart of black Philadelphia. On his first night in his new home, Warren spies two figures outside in the grass. When he screws up the nerve to confront them, they disappear. The next day he encounters ghosts of a different kind: In the face of a teenage girl he meets at a comics convention he sees the mingled features of his white father and his black mother, both now dead. The girl, Tal, is his daughter, and she’s been raised to think she’s white. Spinning from these revelations, Warren sets off to remake his life with a reluctant daughter he’s never known, in a haunted house with a history he knows too well. In their search for a new life, he and Tal struggle with ghosts, fall in with a utopian mixed-race cult, and ignite a riot on *Loving Day*, the unsung holiday for interracial lovers. A frequently hilarious, surprisingly moving story about blacks and whites, fathers and daughters, the living and the dead, *Loving Day* celebrates the wonders of opposites bound in love. Praise for *Loving Day* “Incisive . . . razor-sharp . . . that rare *mélange*: cerebral comedy with pathos. The vitality of our narrator deserves much of the credit for that. He has the neurotic bawdiness of Philip Roth’s *Alexander Portnoy*; the keen, caustic eye of Bob Jones in Chester Himes’s *If He Hollers Let Him Go*; the existential insight of Ellison’s *Invisible Man*.”—The New York Times Book Review “Exceptional . . . To say that *Loving Day* is a book about race is like saying *Moby-Dick* is a book about whales. . . . [Mat Johnson’s] unrelenting examination of blackness, whiteness and everything in between is handled with ruthless candor and riotous humor. . . . Even when the novel’s family strife and racial politics are at peak intensity, Johnson’s comic timing is impeccable.”—Los Angeles Times “Johnson, at his best, is a powerful comic observer [and] a gifted writer, always worth reading on the topics of race and privilege.”—Dwight Garner, The New York Times

Earth Angels Nancy Buirski, 1994 Every generation or so, we are served a compelling reminder of migrant farmwork and of the men, women, and children whose daily hardships put the food on our tables. Now to the ranks of John Steinbeck, Dorothea Lange, James Agee, Walker Evans, and Edward R. Morrow, add Nancy Buirski. Nancy Buirski traversed the country for four years to create this book, a sensitive portrait of a forgotten society. Her subject is the unique lives of those she has photographed: migrant farmworker children. They are the children caught in a life of poverty and backbreaking work whose moves from place to place leave them lacking in self-confidence and lagging behind in school. At sunrise, many can be found in the fields, where they are exposed to dangerous pesticides as they work. At day's end, exhausted, they go home to substandard shacks. The children in these pages are appealing and heroic and not easily forgotten. It is not often these days that pictures can make us think. Buirski's elegant and interpretive photographs show us the private realities as well as the social realities of these unchampioned children and let us see what is happening to the thousands of underage youngsters working today in America's farms.--From jacket flap

Loving Lindsey Linda Atwell, 2017-09-26 Winner - 6th Annual Beverly Hills Book Award for Relationships and Parenting & Families Award Finalist in the Parenting & Family category of the 2017 Best Book Awards Finalist, 2018 Next Generation Indie Book Awards in the category of Memoirs—Overcoming Adversity/Tragedy Linda Atwell and her strong-willed daughter, Lindsey—a high-functioning young adult with intellectual disabilities—have always had a complicated relationship. But when Lindsey graduates from Silverton High School at nineteen and gets a job at Goodwill, she also moves into a newly remodeled cottage in her parents' backyard—and Linda believes that all their difficult times may finally be behind them. Life, however, proves not to be so simple. As Lindsey plunges into adulthood, she experiments with sex, considers a tubal ligation, and at twenty quits Goodwill and runs away with Emmett, a man more than twice her age. As Lindsey grows closer to Emmett, she slips further away from her family—but Linda, determined to save her daughter, refuses to give up. A touching memoir with unexpected moments of joy and humor, *Loving Lindsey* is a story about independence, rescue, resilience, and, most of all, love.

Finding a Way Home Larry Dane Brimner, 2020-12-01 When Mildred and Richard Loving are arrested, jailed, and exiled from their home simply because of their mixed-race marriage, they must challenge the courts and the country in order to secure their civil rights. Richard Perry Loving and Mildred Jeter Loving wanted to live out their married life near family in Virginia. However, the state refused to let them--because Richard was white and Mildred was black. After being arrested and charged with a crime, the Lovings were forced to leave their home--until they turned to the legal system. In one of the country's most prominent legal battles, *Loving v. Virginia*, the Lovings secured their future when the court struck down all state laws prohibiting mixed marriage. Acclaimed author Larry Dane Brimner's thorough research and detailed reconstruction of the *Loving v. Virginia* case memorializes the emotional journey towards marriage equality in this critical

addition to his award-winning oeuvre of social justice titles.

Loving Frank Nancy Horan, 2008-04-08 I have been standing on the side of life, watching it float by. I want to swim in the river. I want to feel the current. So writes Mamah Borthwick Cheney in her diary as she struggles to justify her clandestine love affair with Frank Lloyd Wright. Four years earlier, in 1903, Mamah and her husband, Edwin, had commissioned the renowned architect to design a new home for them. During the construction of the house, a powerful attraction developed between Mamah and Frank, and in time the lovers, each married with children, embarked on a course that would shock Chicago society and forever change their lives. In this ambitious debut novel, fact and fiction blend together brilliantly. While scholars have largely relegated Mamah to a footnote in the life of America's greatest architect, author Nancy Horan gives full weight to their dramatic love story and illuminates Cheney's profound influence on Wright. Drawing on years of research, Horan weaves little-known facts into a compelling narrative, vividly portraying the conflicts and struggles of a woman forced to choose between the roles of mother, wife, lover, and intellectual. Horan's Mamah is a woman seeking to find her own place, her own creative calling in the world. Mamah's is an unforgettable journey marked by choices that reshape her notions of love and responsibility, leading inexorably ultimately lead to this novel's stunning conclusion. Elegantly written and remarkably rich in detail, *Loving Frank* is a fitting tribute to a courageous woman, a national icon, and their timeless love story. Praise for *Loving Frank*: "Loving Frank is one of those novels that takes over your life. It's mesmerizing and fascinating—filled with complex characters, deep passions, tactile descriptions of astonishing architecture, and the colorful immediacy of daily life a hundred years ago—all gathered into a story that unfolds with riveting urgency." —Lauren Belfer, author of *City of Light* "This graceful, assured first novel tells the remarkable story of the long-lived affair between Frank Lloyd Wright, a passionate and impossible figure, and Mamah Cheney, a married woman whom Wright beguiled and led beyond the restraint of convention. It is engrossing, provocative reading." —Scott Turow "It takes great courage to write a novel about historical people, and in particular to give voice to someone as mythic as Frank Lloyd Wright. This beautifully written novel about Mamah Cheney and Frank Lloyd Wright's love affair is vivid and intelligent, unsentimental and compassionate." —Jane Hamilton "I admire this novel, adore this novel, for so many reasons: The intelligence and lyricism of the prose. The attention to period detail. The epic proportions of this most fascinating love story. Mamah Cheney has been in my head and heart and soul since reading this book; I doubt she'll ever leave." —Elizabeth Berg

Race, Sex, and the Freedom to Marry Peter Wallenstein, 2014-11-18 In 1958 Mildred Jeter and Richard Loving, two young lovers from Caroline County, Virginia, got married. Soon they were hauled out of their bedroom in the middle of the night and taken to jail. Their crime? Loving was white, Jeter was not, and in Virginia—as in twenty-three other states then—interracial marriage was illegal. Their experience reflected that of countless couples across America since colonial times. And in challenging the laws against their marriage, the Lovings closed the book on that very long chapter in the

nation's history. *Race, Sex, and the Freedom to Marry* tells the story of this couple and the case that forever changed the law of race and marriage in America. The story of the Lovings and the case they took to the Supreme Court involved a community, an extended family, and in particular five main characters—the couple, two young attorneys, and a crusty local judge who twice presided over their case—as well as such key dimensions of political and cultural life as race, gender, religion, law, identity, and family. In *Race, Sex, and the Freedom to Marry*, Peter Wallenstein brings these characters and their legal travails to life, and situates them within the wider context—even at the center—of American history. Along the way, he untangles the arbitrary distinctions that long sorted out Americans by racial identity—distinctions that changed over time, varied across space, and could extend the reach of criminal law into the most remote community. In light of the related legal arguments and historical development, moreover, Wallenstein compares interracial and same-sex marriage. A fair amount is known about the saga of the Lovings and the historic court decision that permitted them to be married and remain free. And some of what is known, Wallenstein tells us, is actually true. A detailed, in-depth account of the case, as compelling for its legal and historical insights as for its human drama, this book at long last clarifies the events and the personalities that reconfigured race, marriage, and law in America.

Loving Amy Janis Winehouse, 2016-01-12 “Amy was one of those rare people who made an impact . . . She was a bundle of emotions, at times adorable and at times unbearable. . . . Amy’s passing did not follow a clear line. It was jumbled, and her life was unfinished—not life’s natural order at all. She left no answers, only questions, and in the years since her death I’ve found myself trying to make sense of the frayed ends of her extraordinary existence.” Arguably the most gifted artist of her generation, Amy Winehouse died tragically young, aged just twenty-seven. With a worldwide fan base and millions of record sales to her name, she should have had the world at her feet. Yet in the years prior to her death, she battled with addiction and was frequently the subject of lurid tabloid headlines. Amy’s mother, Janis, knew her in a way that no one else did. In this warm, poignant, and at times heartbreaking memoir, she tells the full story of the daughter she loved so much. As the world watched the rise of a superstar, then the free fall of an addict to her tragic death, Janis simply saw her Amy: the daughter she’d given birth to, the girl she’d raised and stood by despite her unruly behavior, the girl whose body she was forced to identify two days after her death—and the girl she’s grieved for every day since. Including rare photographs and extracts from Amy’s childhood journals, *Loving Amy* offers a new and intimate perspective on the life and untimely death of a musical icon.

Welcome to the Story Stephen J. Nichols, 2011-07-07 Stephen Nichols wants to help readers experience the Bible more fully. He writes: We have been given a book that is unlike any other book in human history, a book that transcends all human wisdom, insight, and expertise. We have been given the Word of God, the words of eternal life. And we, all of us, are invited to take up and read these words. *Welcome to the Story* teaches believers not only how to read the Bible, but how to read it in

such a way that it permeates their lives—reading, loving, and living God's Word. Discussion includes an explanation of the four chapters of the biblical narrative—creation, fall, redemption, and restoration—guidelines on how to interpret Scripture, why we're to love God's Word, and how we're to live and proclaim the story in word, deed, and mission. This practical guide to reading the Bible is a great resource for young and new believers and those wanting to get more out of God's Word.

You're my hero and my inspiration. You taught me this, princess. Thank you.' Safiyya Vorajee and Ashley Cain's beautiful baby daughter, Azaylia, was eight weeks old when she was diagnosed with leukaemia. Six months later, Azaylia's parents had to say their final goodbyes. Loving Literature Deidre Lynch, 2015 Of the many charges laid against contemporary literary scholars, one of the most common and perhaps the most wounding is that they simply don't love books. And while the most obvious response is that, no, actually the profession of literary studies does acknowledge and address personal attachments to literature, that answer risks obscuring a more fundamental question: Why should they? That question led Deidre Lynch into the historical and cultural investigation of *Loving Literature*. How did it come to be that professional literary scholars are expected not just to study, but to love literature, and to inculcate that love in generations of students? What Lynch discovers is that books, and the attachments we form to them, have long played a role in the formation of private life that the love of literature, in other words, is neither incidental to, nor inextricable from, the history of literature. Yet at the same time, there is nothing self-evident or ahistorical about our love of literature: our views of books as objects of affection have clear roots in late eighteenth-century and nineteenth-century publishing, reading habits, and domestic history. While never denying the very real feelings that warm our relationship to books, *Loving Literature* nonetheless serves as a riposte to those who use the phrase "the love of literature" as if its meaning were transparent, its essence happy and healthy. Lynch writes, "It is as if those

on the side of love of literature had forgotten what literary texts themselves say about love's edginess and complexities." With this masterly volume, Lynch restores those edges, and allows us to revel in those complexities.

Loving Hugh Nini, Neal Treadwell, 2020-10-14 *Loving: A Photographic Story of Men in Love, 1850-1950* portrays the history of romantic love between men in hundreds of moving and tender vernacular photographs taken between the years 1850 and 1950. This visual narrative of astonishing sensitivity brings to light an until-now-unpublished collection of hundreds of snapshots, portraits, and group photos taken in the most varied of contexts, both private and public. Taken when male partnerships were often illegal, the photos here were found at flea markets, in shoe boxes, family archives, old suitcases, and later online and at auctions. The collection now includes photos from all over the world: Australia, Bulgaria, Canada, Croatia, France, Germany, Japan, Greece, Latvia, the United States, the United Kingdom, Russia, and Serbia. The subjects were identified as couples by that unmistakable look in the eyes of two people in love - impossible to manufacture or hide. They were also recognized by body language - evidence as subtle as one hand barely grazing another - and by inscriptions, often coded. Included here are ambrotypes, daguerreotypes, glass negatives, tin types, cabinet cards, photo postcards, photo strips, photomatics, and snapshots - over 100 years of social history and the development of photography. *Loving* will be produced to the highest standards in illustrated book publishing, The photographs - many fragile from age or handling - have been digitized using a technology derived from that used on surveillance satellites and available in only five places around the world. Paper and other materials are among the best available. And *Loving* will be manufactured at one of the world's elite printers. *Loving*, the book, will be up to the measure of its message in every way. In these delight-filled pages, couples in love tell their own story for the first time at a time when joy and hope - indeed human connectivity - are crucial lifelines to our better selves. Universal in reach and overwhelming in impact, *Loving* speaks to our spirit and resilience, our capacity for bliss, and our longing for the shared truths of love.
