

NORTHWESTERN CONNECTICUT COMMUNITY COLLEGE

COURSE SYLLABUS

Course Title: Three Dimensional Design

Course #: ART 122

Course Description:

Studio problems explore basic three dimensional art elements– line, plane, mass, volume, space, size, color, light, surface and context. Development of personal content using a variety of three dimensional tools, materials and processes. (3 credit hours)

Pre-requisite/Co-requisite: None

Goal: To use the vocabulary of three-dimensional design to develop aesthetic ideas

Outcomes:

- To investigate how the three dimensional elements of art can be organized according to principles of design to express content
- To follow the basic processes of design – research, idea generation, preliminary sketches, maquettes, surface test tiles, idea execution, feedback, revisions
- To develop skills and procedures in using three dimensional art tools, materials and processes to build a variety of structures
- To participate in the process of choosing tools, materials and processes which compliment a particular artistic intention or concept.
- To use the vocabulary of three dimensional design and apply it to works of historical and contemporary sculpture and the three dimensional applied arts
- To participate in “brainstorming” exercises to facilitate idea generation
- To present a portfolio of 3D projects

College Policies

Plagiarism: Plagiarism and Academic Dishonesty are not tolerated at Northwestern Connecticut Community College. Violators of this policy will be subject to sanction. Please refer to your “Student Handbook” under “Policy on Student Rights,” the Section entitled “Student Discipline,” or the College catalog for additional information.

Americans with Disabilities Act (ADA): The College will make reasonable accommodations for persons with documented learning, physical, or psychiatric disabilities. Students should notify Roseann Dennerlein, the Counselor for Students with Disabilities. She is located at Green Woods Hall, in the Center for Student Development. Her phone number is 860-738-6307 (V/TTY) and her email is rdennerlein@nwcc.commnet.edu.

School Cancellations: If snowy or icy driving conditions cause the postponement or cancellation of classes, announcements will be made on local radio stations. Students may also call the College directly at (860) 738-6464 to hear a recorded message concerning any inclement weather closings. Students are urged to exercise their own judgment if road conditions in their localities are hazardous.
