Cornerstones of Financial Accounting Jay S Rich, Don R Hansen, Maryanne M Mowen, Jefferson P Jones, Donald Jones, Ralph Tassone, 2016-10-21 *Cornerstones of Financial Accounting, Second Canadian Edition*, presents an exciting new approach to teaching and learning accounting. Carefully crafted in response to studies on student reading behaviour, the innovative Cornerstones approach has been shown to increase students' engagement and preparedness while improving their grades. In the Cornerstones approach, each major concept is illustrated in a Cornerstone that supports accounting concepts with a compelling example. Step-by-step calculations demonstrate how to solve a business problem, and a brief video segment reinforces and summarizes key concepts and procedures.

Value McKinsey & Company Inc., Tim Koller, Richard Dobbs, Bill Huyett, 2010-10-26 An accessible guide to the essential issues of corporate finance While you can find numerous books focused on the topic of corporate finance, few offer the type of information managers need to help them make important decisions day in and day out. Value explores the core of corporate finance without getting bogged down in numbers and is intended to give managers an accessible guide to both the foundations and applications of corporate finance. Filled with in-depth insights from experts at McKinsey & Company, this reliable resource takes a much more qualitative approach to what the authors consider a lost art. Discusses the four foundational principles of corporate finance Effectively applies the theory of value creation to our economy Examines ways to maintain and grow value through mergers, acquisitions, and portfolio management Addresses how to ensure your company has the right governance, performance measurement, and internal discussions to encourage value-creating decisions A perfect companion to the Fifth Edition of Valuation, this book will put the various issues associated with corporate finance in perspective.
